Tonight is fine. I will be able to discuss them face to face tomorrow down there. Safe trip.

Rich,
I am mobilizing to the RRT meeting today. I am checking to see if we have someone in the office to address these comments today. If not, is it okay if I get them to you either tonight or tomorrow?

Thanks,

Suddha,

Here are the HQ EU comments. I have not received comments from Ft. Meade yet, but thought we can discuss these. I have answered the ones that I thought I knew. Not sure what's meant by the CLP comment.

Round 2 plan is the top priority to get done asap. So let's concentrate on that one.

Rich
